

GOLFING IN NORTH LAKE TAHOE

As North Lake Tahoe's spring melts into summer, the runoff from the snowfall rejuvenates and restores the green back into the courses. North Lake Tahoe is home to six championship golf courses and four executive courses which are all opening up as weather permits.

Remember, when you're planning your 2020 golf day in Tahoe, plan ahead for any new rules you may find at the golf course.

- Bring your own clubs if possible to avoid additional risk, and if that's not possible, confirm in advance that the course you're visiting has rentals available.
- Tee times are required in advance.
- You'll be riding in your golf cart solo, or with someone who lives in your home, and it's suggested that every golfer wear a mask. And, be sure to bring along disinfectant, to wipe down the cart surfaces and golf clubs, as well as your hand sanitizer.
- Courses are encouraging "gimmies" on the green to reduce crowding near the hole.
- Check to see which courses are currently open and accepting out of town visitors.

But first, **Breakfast!** Pick up your breakfast curbside or dine in at one of our favorite spots. Reminder - Be sure to call ahead to ensure your restaurant of choice hasn't shifted their hours or offerings.

GOLFING IN NORTH LAKE TAHOE

Now, it's time to **Golf** and you've got fantastic options. Regardless of where you play, whether your course snakes through a glacially etched valley, contours along Lake Tahoe itself, or winds links-style through the trees, you're going to witness some of the most eye-popping views found in Northern California and Nevada. You've made an excellent decision to play a round in Tahoe!

Northstar California Golf Course is an exciting course with a challenging flow in and out of natural terrain which is complimented by the amenities of the Village at Northstar for the non-golfers in your group.

The Links at Squaw Creek is framed by the towering grandiose valley of Squaw Valley.

Old Greenwood, designed by Jack Nicolas, and **Gray's Crossing** are premier courses of the region and are a part of Tahoe Mountain Club, a high-end alpine community development.

Coyote Moon sits on secluded rolling hills between majestic pines. Without a single house to spoil your view, playing here offers an experience seldom found in golf today.

Tahoe City Golf Course is the oldest course in Tahoe. Enjoy a fun family-friendly day, including your dog if you'd like, on this 9 hole course in the heart of Tahoe City.

Old Brockway Golf Course is a picturesque, family-owned 9 hole course. It's not too hilly, a little tight but not too tough for beginners and sits right across the street from Lake Tahoe in Kings Beach.

Incline Village Mountain Course features an amazing mountain layout with old growth trees, elevation changes and the stunning backdrop of the Sierra Nevada Mountains and Lake Tahoe.

Incline Village Championship Course features tightly cut fairways and fast greens, which demand accuracy and distance. Try not to get distracted by the beautiful lake views.
